

# PLAY MORNING

Held at the SHAPE Health Facility, EDIS Playroom

Playmorning is a two-hour program in which parents and their children (0-3 years) play together in a group setting. The program teaches parents developmentally appropriate play to help children improve their social,

...cognitive, and motor skills.  
Another benefit of Playmorning  
is the friendships that form  
among parents and children.

## What is Expected of Parents?

Parents are required to remain with their children during the entire two hours. Interactive play between parent and child is encouraged and actually may be required for some activities.
